DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 4-6 and 8-12 are allowed.
2. The following is an examiner's statement of reasons for allowance:

With regard to independent claims 1 and 6, the prior art does not disclose nor suggest the claimed transponder or apparatus for monitoring a tire condition that detects a condition of a tire and wirelessly transmits data representing the detected condition wherein the transponder is stored in a tire valve having an annular casing mounted on the tire valve, the annular casing comprising an upper casing portion and a lower casing portion that are connected with each other along a plane intersecting an axis of the casing, the annular casing having an accommodating portion that accommodates the coil antenna and a projecting portion projecting into the tire from the accommodating portion, the projecting portion accommodating the condition detecting device, wherein the accommodating portion is formed at an upper periphery of the casing to extend across the upper casing portion and the lower casing portion, and wherein the projecting portion projects from the lower casing portion.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
